Narrative

Describe the proposed class project and the academic benefit for students. Include all major aspects of the project.

Because of PETF's commitment to professionalism and to teachers-training-teachers, each grant winner is asked to share this classroom experience with other teachers, after the project is over. Please include in your narrative how you plan to do that.

Letter of Recommendation

Have an administrator write a letter supporting your project on official letterhead.

Budget

Your budget should include expenses which will be required to complete the project. Materials, training, transportation, outside experts are examples of what can be budgeted. Payments for time or service or the educator receiving grant is not acceptable.

Please mail the completed requirements to:
